TAROT CARDS ~ ANGEL CARDS ~ MEDIUMSHIP ~ REIKI

Hi my name is Stephanie McKinnon,

I have been working and studying in this field for 12 years.

I have found that working with spirit, and from the heart, the tarot cards are a great tool in our everyday life, they can offer us guidance and clarity without taking away our free will and choice.

I base my tarot readings on the information from the cards, the elements within the cards and what is given to me from spirit.

I'm also able to offer a connection to your loved ones who have passed over, working in a safe supportive caring environment, which can bring about comfort, peace, healing or closure in an emotional time in your life.

To enjoy a reading all you have to do is be open and relax. The more open you are the more you will get out of your reading.

If you feel you would like to join me for a reading I would love to meet you.

I do my private readings here at The Crystal Shop on Saturdays between the hours of 9am to 3pm.

Wishing you all a great day

STEPHANIE
